Today I had an amazing experience. I went on a felucca on the River Nile !

A felucca is a traditional Egyptian sailing boat. It's made of wood.

A tall man called Kareem was the captain of the boat. A felucca is difficult to sail, but Kareem was very strong and had the skills to sail it. The trip was amazing. We went slowly down the river in the warm sunshine. The boat had two white sails which moved gently in the wind. It was so quiet and peaceful lovely way to travel.
